Conference/Counselor Training

Occasionally ALC provides a week long training conference for individuals who would like to study themes of Abiding in Christ more fully. Consideration is given to train people in sharing these truths as a conference presenter, small group leader and discipleship counselor. If you are interested, please contact our office to register.

Check out the website for: more information on Abiding Life Ministries Canada (ALC); up-coming conferences in your area; resources; articles; supporting ALC; and our partners in ministry. If you are interested in hosting a conference please contact our office. A calendar is also posted to keep you up to speed on where Chad Salyn (Executive Director of ALC) will be travelling —it is an excellent way for you to be able to partner with us in praying for him as he travels to share this message of “Christ in you, your hope of glory.”
